

## **PHOTO SUBMISSION**

**The Foundation accepts various types of photos corresponding to the following criteria:**

**-Pictures are clear with good focus.**

**-The number of pixels exceeds 1200 X 800 and preferably is around 6000 X 4000 pixels or more.**

**-The information hidden behind each photograph must be completed: keyword, location and description of the habitat, name of the author. On the videoconferencing site, you will find documents to download concerning these aspects at: [https:](https://formationschampignons.fondationmironroyer.com)**

**<https://formationschampignons.fondationmironroyer.com>**

**In addition, the Foundation agrees to host photos free of charge by amateurs who wish to ensure their sustainability. Contact us at:**
